HOLIDAY HOMEWORK

CLASS V (2026-27)

NAME: _____

SEC: _____

Summer's here—so bright, so gay,

Time for fun and games all day!

Read a story, play outside,

Let your dreams and laughter glide.

Splash in water, climb and run,

Every moment full of fun.

Smile and shine in every way—

Enjoy your happy summer day!

And to make the most of everyday, here are some Do's and Don'ts.

- *Make an early bedtime and morning ritual. Stretch, meditate or simply take a little stroll.*
- *Eat a nutritious diet with plenty of water. Include fruits like orange, lemon and melons.*
- *Play board games with your parents and siblings and spend some quality time with an elderly person in the family.*
- *Start learning a new skill like painting, dance, music, learn an instrument or coding.*
- *Make sure to be consistent with the holiday homework. Avoid leaving it for the last day!*

Don'ts

- *Do not waste your time in playing video games or mobile games.*
- *Avoid going outside while the sun is at its brightest. Try engaging in some fun indoor activities.*
- *Avoid sleeping in excess or allowing boredom to rule your life. Keep yourself engaged in doing various fun activities.*

❖ FUN ACTIVITIES

Let's make something sweet, colourful and super yummy-Fruit Cream!

Ingredients:

* 1 cup fresh cream (chilled), 2–3 tablespoons sugar (as per taste), 1 cup mixed fruits (chopped: apple, banana, mango, grapes, strawberry), ½ teaspoon vanilla essence (optional), A few dry fruits (cashews/almonds) for garnishing

Method:

1. Take the chilled cream in a bowl and whisk it till it becomes soft and fluffy.
2. Add sugar and vanilla essence, mix well.
3. Wash, peel and chop all fruits into small pieces.
4. Add the fruits to the cream and gently mix.
5. Chill it in the fridge for 30 minutes.
6. Garnish with dry fruits and serve cold.

❖ **Draw and Colour any 2 beautiful pictures on an A3 white sheet using mixed medium showing**

- What happiness looks like to you
- Your friends as a team of superheroes.
- Create a drawing using only 3 colours
- A comic strip of your daily life.

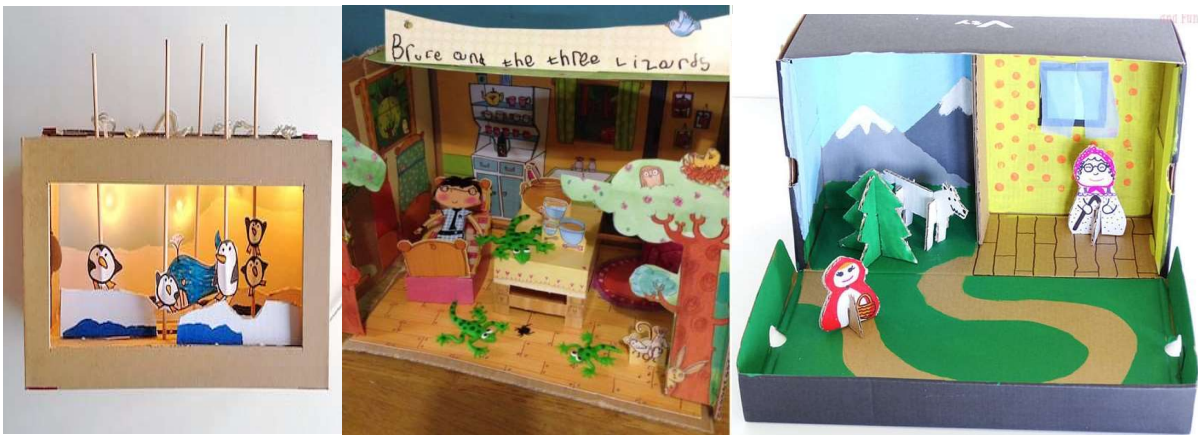

❖ WORD COLLECTOR CHALLENGE

- Create a 'WORD BANK' diary
- Write 2-3 new words daily with their meanings and frame sentences of the same.

❖ STORY IN A SHOEBOX

- Take a shoebox and create a 3D scene from a story of your choice
- Add characters using paper/clay/toys and other craft material.
- Write a short story describing the scene you have created on a A4 sheet
- Narrate your story in class using your shoebox model.

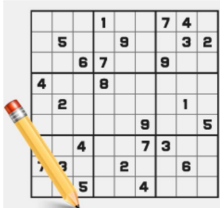

Keep reading good books by authors such as Roald Dahl, Sudha Murty and Ruskin Bond.

❖ MATH MAGIC CHALLENGE

Get ready to sharpen your brain this holiday with some fun and learning!

✦ Instructions:

- Solve 10 Sudoku puzzles and neatly paste them in your Math Practice Notebook.
- Ensure all puzzles are solved correctly and presented neatly.

- Learn and revise tables from 2 to 15 regularly to strengthen your basics.

❖ FUN WITH SCIENCE

Activity : Leaf Art Creation

1. Collect leaves of various shapes and sizes and dry them inside old books or notebooks (*use only leaves*).
2. Once dried, arrange them on an A4 sheet to create a picture (bird, butterfly, scenery, etc.)
3. You may paint the leaves to make your artwork colourful.
4. Paste neatly once your design is ready.
5. Add finishing touches by drawing small details if needed (*keep the main design only with leaves*).
6. Give a title to your leaflet.
